14 Herd Bulls—34 Foundation Females

Both herds Federally Accredited for Tuberculosis.
Every animal has been blood tested for Bangs Disease and will comply with the shipping regulations of any state.

Guarantee

(Endorsed by American Shorthorn Breeders' Association)

1. Proper care shall be given by purchaser to protect breeding qualities and health of animals.
2. All bulls guaranteed breeders. A bull shall not be allowed to serve when under fourteen months of age or be allowed to run with herd when under twenty months of age. In case of failure to be a breeder notice shall be given to seller by the time bull is twenty months of age or within six months of date of purchase.
3. Cows with own calves under four months of age by side are considered proven breeders. All other cows and heifers, sold as single lot guaranteed breeders, except calves sold by side of dam as one lot and heifers under sixteen months of age at time of sale. Heifers shall not be served for first calf by heavy or old bull. Cows and heifers over three months gone in calf, according to service date furnished at time of sale, but not proving in calf, must be reported to seller within three months from date of sale; all others served within three months of date of sale not proving in calf or not settled, must be reported within six months. Heifers not settled when twenty-two months of age shall be promptly reported. Heifers over sixteen months of age sold open, not settling within six months of date of sale shall be promptly reported.
4. Any animal not proving up to foregoing guarantee shall be replaced with another of equal value at time of purchase to the satisfaction of the purchaser, but the seller may, if he desires, have the animal returned for retrial for a period not to exceed six months. The expense of return freight in such case is to be paid by the seller. If the animal is proved to be a breeder beyond doubt, it shall be returned to the purchaser at his expense. In case animal proves to be not a breeder, then the purchaser shall be given the option of having purchase price refunded without interest or of accepting a substitute as stipulated above. No charge for feed or maintenance shall be made by either buyer or seller. Salvage to go to the seller. It shall be understood that the same guarantee given on the first animal shall likewise apply upon any animal later substituted.
5. All animals are sold subject to a sixty-day retest for tuberculosis or to comply with laws of state into which they may be shipped. Animals shall be segregated from buyer's herd until retest is made, except herd be a Federal accredited one. All tests for tuberculosis, either test before sale or retest, shall be made by a Federal or State veterinarian or veterinarian deputed by State veterinarian, who is co-operating with Federal veterinarian and qualified to do accredited herd testing. Purchase price to be promptly refunded upon proof of reaction and return of animal, except purchaser shall agree to accept a substitute.
6. Certificates of registry and transfer will be furnished with each lot sold. Shipment will be made as soon as possible after close of sale and without trouble to the purchasers, but at their risk of loss or injury.
7. **TERMS:** Cash unless other arrangements before date of sale. The above guarantee and terms constitute a contract between the buyer and seller of each lot. The individual designated as Sale Manager assumes no liability, legal or otherwise.
HEALTH—Both herds are Federally Accredited for tuberculosis and every animal has been blood tested for Bang's Disease. A 60-day tuberculin retest is allowed and all cattle are guaranteed to comply with the health regulations of any state into which they may go.

Leveldale Rosewood by Dreadnaught Salute and Augusta 104th by Goldspur's Baronet 2d. Champions when shown alone and first prize pair of females at strong shows. Typical production of the Leveldale Herd.

PERCHERON SALE

Wm. Freitag, Mathers Bros. and Ralph J. Taylor will sell 40 head of Registered Percherons at the farm of Dr. M. B. Mathers, one mile north of Mason City, November 6, 1937. Plan to attend this outstanding event.

From The Owners

This is to welcome you to our Third Public Auction Sale. We are proud of this offering which consists of 14 good young bulls, the tops of our career as cattle breeders and 14 choice young females.

We are glad to have associated with us in this sale Ewing Brothers, who purchased a half interest in Dreadnaught Resource, the \$1000.00 calf in our 1935 sale. This bull has proved himself an outstanding breeder and they are offering most of his first crop of calves along with a choice string of heifers carrying his service. We can heartily recommend these cattle to our friends.

The catalog is illustrated sufficiently to give the prospective buyer a good opportunity to study the offering. We have tried to help the buyer further by giving our opinion of the cattle in footnotes.

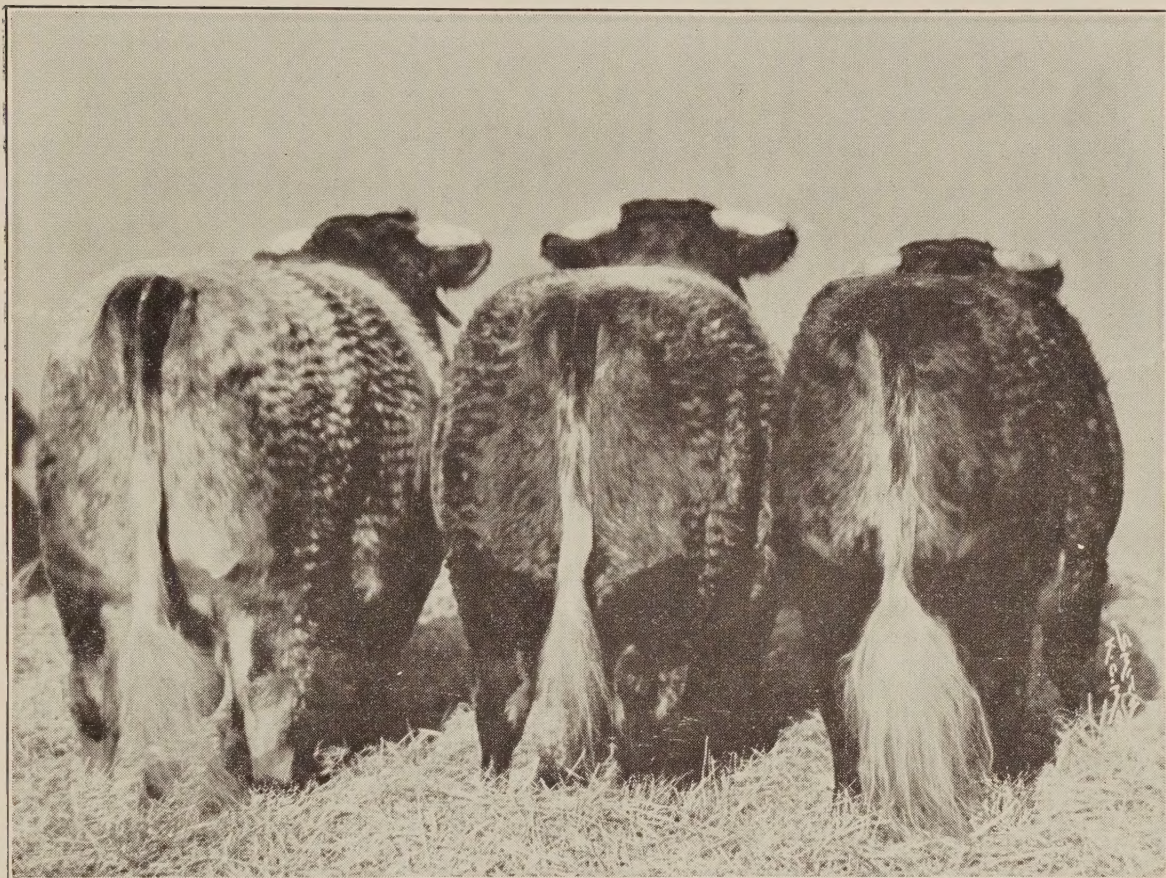

A glimpse at the record of our show herd so far this season will convince anyone that our productions are still top cattle.

Our invitation to you is most cordial and we also feel that you can profit by being present on November 10th.

MATHERS BROS.

From The Press

The ambition of every breeder of purebred Shorthorn cattle is to establish firmly in his herd the type and conformation that finds greatest favor with show ring judges. No herd in the country has been more successful in stamping **every calf** with that type and conformation than the herd of Mathers Bros. The rewards that have come to them in the form of first prizes and championships are a matter of permanent record and breeders everywhere have come to recognize that the "Leveldale type" is the "Model type". Through the use of one of the best bulls ever produced in the Leveldale Herd, Ewing Bros. have been successful in establishing the same true type". Through the use of one of the best bulls ever produced in the Leveldale great bulls in a sale with the produce of the Ewing herd because the lesson is so obvious that others who are seeking to establish their approved type in their herds should be prompted to follow it. I do not hesitate to make the assertion that no sale held this Fall will contain individuals that more closely approach perfection in type than this one.—Hal Longley of The Shorthorn World.

Put the right kind of rear ends on your calves. This Mathers bred trio were undefeated wherever shown in the three bull class during 1934, including the International and American Royal.

Gainford Marshal 1804097—The undefeated grand champion bull so far this season and one of our herd bulls. A few of the females will carry his service.

These are the Characteristics Your Herd Bull Must Have to Help You Win Success in the Business of Breeding True Type Shorthorn Cattle.

A Study of this Catalog Will Reveal to you the Fact that the Bulls Listed in This Sale are Superior in Every One Of These Important Characteristics.

Of the fourteen bulls listed in this sale, eight of them are sons of the many times grand champion Goldspur's Baronet 2d whose picture is shown above.

Dreadnaught Bounty
A TOP PRIZE WINNER FOR TWO
SEASONS.

Dreadnaught Bounty is extremely short of leg, deep and thick, perfectly smooth in fleshing and almost a duplicate of his famous sire in conformation. He is out of a great show cow by Leveldale Dreadnaught. Be sure to see this bull on sale day. He has been consistently at or near the top of his class for two show seasons and has been a member of our winning three and two bull groups. Someone will get a real sire in this bull.

Dreadnaught Stamina—
We consider this bull to be one of the best we have ever produced. He is a show bull at all times with a good head, thick, smooth and short coupled, short legs with roomy, deep quarters and he is a grand colored roan. He is also a full brother to our herd bull Dreadnaught Lustrous. His dam was a winner in our show herd for three years. We hope he will go to a place where he will be appreciated and where he can make Shorthorn history.

Leveldale Commodore
A WINNING TWO YEAR OLD FOR 1938
SHOWS.

Leveldale Commodore is an extremely rugged, deep bodied and low set bull that is very smoothly covered with mellow flesh. He has developed into a show bull without any special attempt at fitting. We think he will be a strong two year old next year in spite of his short age and we would like to retain a half interest in him if it is agreeable with the purchaser.

Leveldale Progress—a product of two champions and worthy of his heritage. He was not fitted for show and yet his flesh is thick and smooth, he is short legged, straight in his lines and perfect in color. His dam is one of the best Shorthorn females that has ever appeared in American show rings. She was a noted winner for four seasons, winning numerous junior championships as a junior calf and finishing her career by winning the cow class through the season of 1935. Her dam was also a great show cow for several seasons. Study the four bulls that line the top of this pedigree and then be sure to see this great calf.

Dreadnaught Officer is a rich colored red bull, thick and smooth. He is out of a splendid red cow and has almost the same pedigree as Dreadnaught Bounty. Here is a bull that will stand a close inspection by anyone needing a red bull and he certainly has a strong background of Browndale Dreadnaught and Avondale blood.

Leveldale Amateur
A YOUNGSTER OF GREAT PROMISE.

Leveldale Amateur is another youngster with show type and character. He is a full brother to Leveldale Corona now heading the herd of Mr. S. J. O'Bryan at Lake Villa, Ill. He is from a smooth red cow that is a heavy milker and a good producer. This calf will develop into a good show bull.

Dreadnaught Conscript
JUST LIKE BUYING A TRIED SIRE.

Dreadnaught Conscript—
Study this pedigree carefully. He is a full brother to Dreadnaught Resource, the bull whose calves are being offered in this sale by Ewing Bros. He has a wonderful head, is level in his lines, smooth and rugged. He is out of a great bull producing cow and a cow that everyone likes. She has produced five bulls and one heifer by Dreadnaught Salute and all of them have been outstanding. It will be just like buying a tried sire to pick out this brother of Dreadnaught Resource.

Dreadnaught Emblem 1887253—A dark roan bull, rugged and smooth fleshed, sired by the many times grand champion Dreadnaught Salute and out of the grandam of the many times grand champion Leveldale Rosewood. He is almost a duplicate of Dreadnaught Revenue, the good breeding bull in the L. E. Flanegin herd at the same age. He should make a great stock bull.

THOSE who are desirous of founding new herds or of improving already well established herds should study carefully the blood lines represented in this catalog. Each one of the fashionable Scotch pedigrees presented is lined with stock bulls that have made history for the breed. Mathers Bros. contribution to the tops of these pedigrees has been EIGHT CHAMPION STOCK BULLS used in succession in the herd. Hence, the type, character and individuality, all of which you are sure to admire in each animal on sale day, is BRED INTO THEM. Surely these are factors which should prompt you to attend the sale and BUY.

Leveldale Blossom 2d

OUR WINNING JUNIOR YEARLING
SHOW HEIFER.

Leveldale Blossom 2d—Here is perhaps the best heifer we have ever offered in an auction sale at our farm and we believe she is one of the most valuable that has been offered this year. She was our junior yearling show heifer at 1937 fairs, winning first at the Wisconsin State Fair and well up at other fairs. Her dam, one of our best cows, was also the dam of Dreadnaught Cadet, used with success by Prescott & Moore and now heading the herd of Mark A. Cooper. She is just as beautiful as her picture shows her to be and she is safe in calf to the undefeated grand champion Gainford Marshal. We are proud to present her and someone will be proud to own her.

Leveldale Blossom 3d 1887264—Is a full sister to Leveldale Blossom the top female of our 1936 sale. Her dam is very old and did not feed her well on the short rations last winter, but this heifer is coming fast and will make a beautiful cow. Leveldale Blossom in Mr. Chas. V. Parker's herd is a great cow. Another sister Bridgebank Blossom is considered one of our best cows.

Lavender's Maid

AN OUTSTANDING SHOW PROSPECT
FOR 1938.

Lavender's Maid is an outstanding show and breeding prospect. She has a perfect head and front with a wonderful spread of rib, depth of body, shortness of leg and is unusually well balanced. We feel that she is perhaps the best heifer we have ever produced in our herd.

Gipsy Maid 30th will be a real attraction in any herd in which she goes. She was first in class and reserve champion at the Congress in 1935 and she is a full sister to the herd bull recently purchased by Mathers Bros. from Prescott & Moore. This young cow is easily one of the best brood cows that has been offered this year and she sells with a most beautiful dark roan heifer calf at side. This show calf by Dreadnaught Resource was dropped Jan. 26 and the cow was rebred on March 10th. What a great family to own!

Left to right in this picture appears Marjorie, Mary and Dorothy Ewing, three daughters of Wm. Ewing who have made remarkable records in their Calf Club work. The two older girls have fitted and shown calves for five years, nearly always standing first and never lower than second. Both of them were well up in the money at the International, two different years. In her first year Dorothy won first prize with her Shorthorn steer calf at the Livingston County Junior Show, one of the largest calf club displays in the state. Four of Mr. Ewing's daughters exhibited at this show and they stood first, second, third and fourth in the class for calf club heifers.

Take the Gamble Out of Herd Bull Buying

It is easy to make mistakes in the founding of a new herd or even in the effort to improve one already established. We can think of several we have made ourselves. The pitfalls are far fewer, however, if advantage is taken of the experiences of others who have had a fair measure of success. To those of you who may be contemplating the purchase of a new herd bull, we suggest, first of all, that you visit the farm of some man who has been using one of the same ancestry you contemplate buying. Study the calves. This is the acid test.

We do not hesitate to urge any prospective herd bull buyer to visit the men listed below. This is only a partial list of breeders who have used Leveldale bred herd bulls, but among those mentioned, you will find someone within easy traveling distance.
